The Zodiac by Degrees Martin Goldsmith,2004-05-01 *The Zodiac by Degrees* provides symbols and interpretations for each of the 360 degrees of the zodiac These symbols make a direct connection with your basic spiritual energies and penetrate the private language of your personal mythology For this second edition every one of the 360 degrees has been reexamined from extensive lists of examples In the end about ninety degrees have undergone major changes and all of the rest have been clarified and sharpened The result is a symbol system of unparalleled accuracy and an indispensable tool for both amateur and practicing astrologers *The Zodiac by Degrees* gave me serious goose bumps on several occasions Inside of half an hour the text had cleared up my ambivalence about the exact degree of my Ascendant and given me a new understanding of my Sun degree 8212one vastly more evocative than the traditional Sabian interpretation Martin Goldsmith is a poet in the old sense of the word he's on fire with imagery and the fire is contagious 8212Steven Forrest author of *The Inner Sky* At last An astrologer who has undertaken the huge workload of intensive research into the individual degrees of the zodiac Thanks to his years of work Goldsmith has finally taken this area of astrology out of the misty intuitive channeled area of the Sabian symbols onto the firmer and more reliable footing of good grounded research This long needed book is therefore an essential reference work for any serious astrologer 8212Bernadette Brady author of *Predictive Astrology*

*A Taste of Power* Elaine Brown,1993-12-01 Profound funny wild and moving heartbreaking accounts of a lonely black childhood Brown sees racial oppression in national and global context every political word she writes pounds home a lesson about commerce money racism communism you name it A glowing achievement *Los Angeles Times* Elaine Brown assumed her role as the first and only female leader of the Black Panther Party with these words I have all the guns and all the money I can withstand challenge from without and from within Am I right Comrade It was August 1974 From a small Oakland based cell

the Panthers had grown to become a revolutionary national organization mobilizing black communities and white supporters across the country but relentlessly targeted by the police and the FBI and increasingly riven by violence and strife within

How Brown came to a position of power over this paramilitary male dominated organization and what she did with that power is a riveting unsparing account of self discovery Brown s story begins with growing up in an impoverished neighborhood in Philadelphia and attending a predominantly white school where she first sensed what it meant to be black female and poor in America She describes her political awakening during the bohemian years of her adolescence and her time as a foot soldier for the Panthers who seemed to hold the promise of redemption And she tells of her ascent into the upper echelons of Panther leadership her tumultuous relationship with the charismatic Huey Newton who would become her lover and her nemesis her experience with the male power rituals that would sow the seeds of the party s demise and the scars that she both suffered and inflicted in that era s paradigm shifting clashes of sex and power Stunning lyrical and acute this is the indelible testimony of a black woman s battle to define herself     *The Essential Directors* Sloan De Forest,2021-11-23

From Turner Classic Movies this is the essential guide to all the must know detail on the style achievements and landmark films of the most influential directors in cinema history from the silent era through the 1970s For well over a century those who create motion pictures have touched our hearts and souls they have transported and transformed our minds intoxicated and entranced our senses One artist s vision is the single most prominent force behind the scenes the director *The Essential Directors* illuminates the unseen forces behind some of the most notable screen triumphs from the aesthetic peak of silent cinema through the New Hollywood of the 1970s Considering each artist s influence on the medium cultural impact and degree of achievement Turner Classic Movies presents a compendium of Hollywood s most influential filmmakers with profiles offering history and insight on the filmmaker s narrative style unique touches contributions to the medium key films and distinctive movie moments to watch for The work of these game changing artists is illustrated throughout by more than 200 full color and black and white photographs In *The Essential Directors* you ll read how Cecil B DeMille revamped religion to define an era and how Oscar Micheaux broke barriers to become the most influential Black filmmaker of the 1920s You ll marvel at the efficient artistry of One Take Woody Van Dyke and fall in love again with the sophisticated studio era classics of George Cukor You ll gain insight into how women like Dorothy Arzner and Ida Lupino built thriving careers in an industry ruled by men and discover what drove Mike Nichols to mix comedy with tragedy becoming the highest paid director of his day in the the process *The Essential Directors* presents the work of these game changing artists and dozens more in this stunning volume     [Radical Chic and Mau-Mauing the Flak Catchers](#) Tom Wolfe,2010-04-01

*Radical Chic and Mau Mauing the Flak Catchers* is classic Tom Wolfe a funny irreverent and delicious *The Wall Street Journal* dissection of class and status by the master of New Journalism The phrase radical chic was coined by Tom Wolfe in 1970 when Leonard Bernstein gave a party for the Black Panthers at his duplex apartment on Park Avenue That

incongruous scene is re created here in high fidelity as is another meeting ground between militant minorities and the liberal white establishment Radical Chic provocatively explores the relationship between Black rage and White guilt Mau Mauing the Flak Catchers set in San Francisco at the Office of Economic Opportunity details the corruption and dysfunction of the anti poverty programs run at that time Wolfe uncovers how much of the program s money failed to reach its intended recipients Instead hustlers gamed the system causing the OEO efforts to fail the impoverished communities

**The Fantasy and Necessity of Solidarity** Sarah Schulman, 2025-04-22 From award winning writer Sarah Schulman a longtime social activist and outspoken critic of the Israeli war on Gaza comes a brilliant examination of the inherent psychological and social challenges to solidarity movements and what that means for the future For those who seek to combat injustice solidarity with the oppressed is one of the highest ideals yet it does not come without complication In this searing yet uplifting book award winning writer and cultural critic Sarah Schulman delves into the intricate and often misunderstood concept of solidarity to provide a new vision for what it means to engage in this work and why it matters To grapple with solidarity Schulman writes we must recognize its inherent fantasies Those being oppressed dream of relief that a bystander will intervene though it may not seem to be in their immediate interest to do so and that the oppressor will be called out and punished Those standing in solidarity with the oppressed are occluded by a different fantasy that their intervention is effective that it will not cost them and that they will be rewarded with friendship and thanks Neither is always the case and yet in order to realize our full potential as human beings in relation with others we must continue to pursue action towards these shared goals Within this framework Schulman examines a range of case studies from the fight for abortion rights in post Franco Spain to NYC s AIDS activism in the 1990s to the current wave of campus protest movements against Israel s war on Gaza and her own experience growing up as a queer female artist in male dominated culture industries Drawing parallels between queer Palestinian feminist and artistic struggles for justice Schulman challenges the traditional notion of solidarity as a simple union of equals arguing that in today s world of globalized power structures true solidarity requires the collaboration of bystanders and conflicted perpetrators with the excluded and oppressed That action comes at a cost and is not always effective And yet without it we sentence ourselves to a world without progressive change towards visions of liberation By turns challenging inspiring pragmatic and poetic *The Fantasy and Necessity of Solidarity* provides a much needed path for how we can work together to create a more just more equitable present and future

*Fifth Avenue, 5 A.M.* Sam Wasson, 2011-09-25 Before *Breakfast at Tiffany s* Audrey Hepburn was still a little known actress with few film roles to speak of after it indeed because of it she was one of the world s most famous fashion style and screen icons It was this film that matched her with Hubert de Givenchy s little black dress Meanwhile Truman Capote s original novel is itself a modern classic selling huge numbers every year and its high living author of perennial interest Now this little book tells the story of how it all happened how Audrey got the role for which at first she wasn t considered and which she at first didn t want how long it took to get the script right how

it made Blake Edwards name as a director after too many trashy films had failed to and how Henry Mancini's soundtrack with its memorable signature tune Moon River completed the irresistible package This is the story of how one shy uncertain inexperienced young actress was persuaded to take on a role she at first thought too hard edged and amoral and how it made Audrey Hepburn into gamine elusive Holly Golightly in the little black dress and a star for the rest of her life **Shag's Little Book of Love** Eve Lederman, 2005 Romance and dating can be such a challenge these days it's not always easy to tell if your potential mate is fun or freaky normal or neurotic or perhaps worse neither Writer Eve Lederman has been there and decided to share what she's learned in this humorous how to Featuring the illustrations of everybody's favorite retro artist Shag's Little Book of Love is not your mother's guide to love and romance Lederman offers hilarious advice on the everyday details of romance and dating and navigating the minefields of flirtations entanglements and hanky panky There's the instant love letter to make your mate swoon or smack you upside the head first date do's and don'ts don't stroke her wattle suitable topics for discussion Has there been an exciting natural disaster lately and more Shag's sharp graphics add panache to this much needed guide by the doyenne of dating
